The Program Depends on you!

Please consider nominating Scouters for their service in position-specific duties and for the District Award of Merit. Award of Merit nominees should have also rendered noteworthy service to youth within and outside of Scouting. Be sure to remember those families and unsung heroes who provide "behind-the-scenes" support to Scouting and our district.

- To nominate a Scouter or Scouting family, complete the Adult Leader Recognition Nomination Form.
http://www.LakeMinnetonkaDistrict.org/LakeMinnetonkaDistrict_218.htm
- The nomination deadline is April 19, 2010 at 10 a.m.
- The identity of you and your nominees will be "blinded" to the selection committee. The selections will be finalized by April 26, 2010 and the nominators will be notified by May 1, 2010. Nominators will be expected to make every effort to get their award recipients to the recognition dinner.
