Extra: Friends in our Lake Minnetonka Community suggested that we could award "Most Effort" at our District Pinewood Derby Race. "Just a fun idea to make life a little brighter for a very, very seriously ill young cub scout". Would like to share CONGRATS to Zach on a job well done racing "Blue Lightning" in the Tiger heat at Dick's Sporting Goods in Minnetonka. The District does have a special award that will be granted to Zach (arrangements are being made with Pack 537). He has also been invited to race Northern Star Council's Grand Finally at the Mall of America. For Zach's latest update and progress with medulloblastoma, a brain tumor battle since May 2006, surgery complications, 30 radiations, 9 cycles of Chemo ending July 2007. Then recurrent medulloblastoma December 2007 4 rounds of Chemo, failed experimental treatments, and resumed Chemo. Visit: <http://www.caringbridge.org/visit/zacharywhite> Because Zach deserves more than an award.
