

NOTES:

Signup for the classes is with Ten Ring. Please contact Linn Laage at (651) 452-4237 to discuss your planned training. You may also reach us at nra.training@tenring.org

You must register three weeks before the class to reserve space. A non-refundable fee of \$25.00 is required, per class, to hold your chair. Also due to very limited space the class size will be limited, so please register early.

To be admitted to the class you must provide us with a copy of either a Minnesota "Permit to Purchase" or "Carry Permit", issued to you. If you have neither, a "Permit to Purchase" may be obtained at no fee from your local police department. But allow two weeks for processing.

Already a current NRA Instructor? Contact us as there are special requirements.

There is a pre-course assessment which includes a "live fire" element.

We specialize in providing NRA Instructor training to people interested in working with youth. A substantial discount is available for people affiliated with Boy Scouts or 4H. Please contact us to discuss this opportunity.

Refreshments and snacks will be provided, but please bring a bag lunch.

Ten Ring

We are a non-profit organization interested in helping the youth of America through training and the sponsorships of many diverse activities. Most of what we do is centered on the outdoors and all it has to offer. During events we attempt to introduce "Living History" into many of our activities, this gives everyone a better understanding of who they are and how we all came to this point in history. We specialize on all aspects of the shooting sports from sling-shots to archery to firearms of all types. Our main focus is on safety and we will not compromise safety for any reason. This is the reason we concentrate on training not only for the youth but for their leaders as well. Our staff is highly trained in their disciplines and are constantly furthering their own education so to improve the training we deliver. We welcome input in any form; both suggestions and criticisms so please email your comments to us at
