

### **Outstanding Cubmaster - Steve Bodine**

An ability to make every youth and adult around him a better leader is what brings our next award recipient to the podium.

He is always looking out for the boys. His calm, let's have fun attitude, and his been-there, done-that demeanor brings admiration from his Scouts.

He previously served as a Cubmaster and a den leader, and is an all-round great guy. He is a "dad's dad." Others like to be around him.

Because of an unfortunate injury he goes by the nickname "Stubby."

Pack 477's Cubmaster, Steve "Stubby" Bodine, is recognized as a Lake Minnetonka District Outstanding Cubmaster.
