

Greg Proulx and Harry Fuchs Aviation Camporee Recognition

A special thanks goes out to Greg Proulx and Harry Fuchs for their efforts to support our 2015 Aviation Camporee. Could Greg and Harry please join me up at the front of the room? Both Greg and Harry were instrumental in putting together the event, from securing Merit Badge Counselors and Young Eagle pilots, to assisting with flight line management and lining-up midway vendors. Our event last May brought-in 720 participants and succeeded in providing 190 Scouts the opportunity to fly in a fixed wing aircraft, and 96 Scouts the opportunity to take a helicopter flight. For all of the efforts in exposing our youth the wonders and opportunities of aviation, I would like to present them both with these commemorative plaques as a token of our gratitude.
