

Kyle Thompson – Pack 429

Outstanding Den Leader

This Scouter does a great job working with his Cub Scouts and their parents, encouraging engagement and participation. He consistently goes above and beyond, preparing for Den meetings, Pack meetings and special events. Having recently attended Wood Badge and two University of Scouting events, he always looks for ways to apply what he's learned in the Pack. He spearheaded the Pack's involvement at Excelsior's Apple Days with a booth and dunk tank promoting Lake Minnetonka area Scouting. He juggles responsibilities of Assistant Cubmaster, Tiger Den Leader and Wolf Assistant Den Leader.

Our Scouter is also secretly Sasquatch. He wore "the suit" at Family Camp, in the dunk tank and at other Pack events. The boys had a blast chasing the Squatch, but being a natural Fox, he excelled at evading the boys on the hunt!

We are pleased to honor Kyle Thompson of Pack 429 as an Outstanding Den Leader.
