

Richelle Erickson – Troop 569

Outstanding Boy Scout Committee Member

When her Troop needed a new Advancement Chair, this Scouter was more than willing to take on the position. Over the past year, she has embraced all aspects of Advancement, beyond simply keeping detailed and accurate advancement records for the Scouts, she consistently encourages them to pursue higher goals. You will find her at every Troop meeting and is always in the midst of the Scouts, asking them about their activities and checking their Scout Handbooks to be sure she is aware of any and all requirements they have met. You will find her working alongside the Scouts and other adults at Troop service projects. You will find her on campouts, whether Troop, District or Council. The Scouts seek her out whenever they need help or guidance; her patience, kindness and understanding make her one of their favorite adults! For the leaders in the troop, she is a role model—selfless, dedicated and seemingly tireless - who will jump in to help wherever she sees a need. She is a great asset to her Troop and to Scouting.

Troop 569 is proud to have Richelle Erickson as one of their leaders, and as an Outstanding Boy Scout Committee Member.
