

Sally Jensen – Pack 477

Outstanding Cub Scout Committee Chair

This Scouter stepped up to the challenge when the Pack's Committee Chair moved away a year ago. Beyond her assigned role, she helped out her Cubmaster when his job forced him to travel, led the annual wreath fundraiser, filled in as Camping Chair, served as unofficial Awards Chair co-leading the Lion Cub Den, assisted in leading her son's Webelos Den, and has held virtually every position in the pack at one time or another. Thanks to her, the Pack has participated in many new activities, plus she coordinated their first ever Raingutter Regatta. It's not just what she does for the Pack, but how she does it. She goes above and beyond whether making a Scout motto ladder, cleaning out the storage room or shopping for activity supplies. She's the first to show up at every event and the last to leave. And she does it all with a constant smile on her face.

We are proud to name Sally Jensen of Pack 477 as our Outstanding Cub Scout Committee Chair.
