

## Shawn Linblad – Pack 481

### Outstanding Cubmaster

Our next award recipient stepped up to serve as Cubmaster when the Pack's last leader retired after 10 years. He was willing to fill this important role even as the Pack was going through a big transition. He attended all the meetings, got all the training, and even went so far as to drive to Iowa to get BALOO trained so the Pack could continue with their Fall Campout as planned. Having such a dedicated Scouter in the role of Cubmaster during such a difficult period has made the role seem less intimidating for other parents. His fellow leaders and parents appreciate everything he has done the past two years, and describe him as a consistent and thoughtful leader.

**We are proud to name Shawn Lindblad of Pack 481 as an Outstanding Cubmaster.**
