## Outstanding Scout Family

This hard-working family of Energizer bunnies just keep on going between a total of no less than seven Scouting units! Dad is a double recipient of the William D. Boyce Award for chartering a new Pack and Troop; under his leadership and guidance, both new units are doing well. As Scoutmaster of both troops, he takes the Scouts camping every month, March to November; the Scouts have fun and are advancing in ranks, and we're told his campfire popcorn is not to be outdone! On top of all this, he is working to complete his Wood Badge training.

Mom serves as Unit Commissioner for a total of five Cub Scout Packs, and is Troop Committee Chair for the new Troop. She encourages Scouts to earn merit badges, recruits counselors herself, and serves as a counselor for Citizenship in the Community. She does an excellent job of maintaining records and keeping in contact with Scouts and their parents.

Their two older sons are both Eagle Scouts, one earned his wings at 14, the other at 13; both attended Grey Wolf NYLT and both have served on Grey Wolf staff. One son earned two Palms, and just received an Eagle Scout Scholarship; the other son has earned three Palms. Their youngest son awaits the day he can be a Scout, and their two daughters wish they could be Scouts, but enjoy their annual summer outings to Many Point Family Camp.

**This family hails from Packs 175, 192, 292, 295 and 586, and Troops 292 and 295. The Ogilvie Family—Christian, Sarah, Benjamin, Grant, Andrew, Elizabeth and Caroline—are truly an Outstanding Scout Family in the Lake Minnetonka District.**
