

Anthony Schuft

Outstanding Cub Scout Committee Chair

This Scouter consistently steps up to the challenge in his Cub Scout Pack. He not only serves as Committee Chair for his Unit, but as a Wolf Den Leader as well. When a new Lion Den formed two years ago with no leader, he accepted that position, too, until another parent would later take over as Lion Den Leader. He does so much more for the Pack, and his continued service is very much appreciated.

There are many parents who are content to sit back and watch from the sidelines, but this Scouter runs toward the flames instead of away. He not only plans the Pack's many activities, but also leads them, to the sheer delight of the boys who look up to him. Due to his efforts, the Pack has become involved in District events, and has hosted the annual Pinewood Derby Finals now for two years. Also thanks to him, the Pack has achieved the highest JTE rating for two years, and is working on a third.

Lake Minnetonka District is proud to recognize Anthony Schuft of Long Lake Pack 206 as our Outstanding Cub Scout Committee Chair.
