

## **Brett Schneider**

### **Outstanding District Committee Member**

This Scouter has been very busy lately, working to make some changes in the Order of the Arrow program for the Lake Minnetonka Chapter that will engage more youth members. His focus is on developing the youth leadership experience, and he is working hard with the OA youth leadership team to involve them in broadening activities and getting more participation in Lodge activities. He's an active supporter of District events like Camporees, District Committee meetings and activities such as the Pinewood Derby. He is Philmont-trained and has assisted at Boy Scout Adult Leader Training. A very committed District volunteer, he leads with true servant leadership with his entire focus being programming for our youth.

We are pleased to recognize Brett Schneider as an Outstanding Lake Minnetonka District Committee Member.
