

Cecil Colvin

Outstanding Unit Commissioner

This Scouter jumped into the role of Unit Commissioner with excitement and dedication. He completed his required training quickly and attended both the College of Commissioner Service and Wood Badge to obtain even more training and knowledge. He regularly meets with his Units and logs all his visits promptly. He has an interest in especially helping those Units that might be struggling in one way or another to get back on track. He regularly attends monthly Commissioner's meetings and contributes to the discussions. When there was a need for additional trainers, he quickly volunteered to help. Whenever there is a need to cover an extra Unit or do an extra task, he is seemingly always and cheerfully there to help.

This Scouter is Cecil Colvin, whom we are proud to recognize as an Outstanding Lake Minnetonka District Unit Commissioner.
