

David Basten – Troop 283

Outstanding Boy Scout Committee Member

The key to success in any Scouting Unit is clear communications, and this Troop is no exception. Without clear and simple communication, the Troop would struggle mightily. This Scouter has done an amazing job keeping everything simplified and understandable. He maintains the Troop's awesome website, and keeps everything up to date; he works with Troop and Patrol Scribes and the Webmaster to ensure the boys have a hand in it all, and teaches them a few web skills in the process; he also sets up and maintains the Troop's Eventbrite activity registration system.

Without his leadership and dedication to his position, the Troop would be in the dark. He makes everything run smoothly for the Scouts and their families. Dave Basten of Troop 283 in Wayzata is recognized as an Outstanding Boy Scout Committee Member in the Lake Minnetonka District.
