

Don Mack

District Award of Merit

Our first Award of Merit recipient has been an active Scouter since 2010. He has kept a busy pace, serving as District Committee Member, District Training Committee Member, District Committee Training Chair, and a mentor for Supernova, Merit Badge Counselor, a Den Leader at every level, Assistant Scoutmaster and Unit Commissioner. His training resume is as lengthy as it is impressive, as he has completed almost every course from Den Leader Training to Wood Badge, and even earned his Masters from the College of Commissioner Service.

He gladly volunteers for any training role on the District level; has covered the Big Rock topic on Webelos transition at Roundtable, training topics for Commissioner meetings and has been active in the Webelos transition program, being a leader at Camporees and working with the Webelos Scouts. At the 2016 College of Commissioner Service he helped with registration. You will usually find him wherever there is a need for additional help. In addition, he is very active in his home Troop as an Assistant Scoutmaster supporting the program where his son is a member. He is a tremendous training asset to the District, a very strong Commissioner for the District and an overall exceptional Scouter.

Don Mack of the Lake Minnetonka District and Mound Troop 571 is this deserving Award of Merit recipient.
