

## Janet Boschwitz

### Outstanding Boy Scout Committee Member

This Scouter is her Troop's Fundraising Chair, and she has done an exemplary job organizing and executing this complex activity now for close to a decade. She works tirelessly to maximize Troop revenues, finds creative ways to motivate and train the Scouts to achieve more sales, and graciously involves other parents. She also proactively searched out and found her own successor to seamlessly transition this key role for future years. She has two sons who have both earned their Eagle Scout Rank, and her third son is now a Life Scout and is also active with the Troop.

This is why Janet Boschwitz of Long Lake Troop 206 has been selected an Outstanding Boy Scout Committee Member in the Lake Minnetonka District.
