

Lake Minnetonka District Camporee Host Unit Schedule

Dear Lake Minnetonka District Units,

The following is a list of when Troops, Crews, and Teams are scheduled to help plan and staff upcoming District Camporees. This list is created to allow for the sharing of ideas and creativity so we have great Camporees; it also helps spread the work fairly among the Districts Units. We urge your Unit to please share your talents in a future Camporee. Please contact your District Activity Chair if you have any questions.
