

Glowing Ember Pack 477 Jessica Harrel

Jessica is an outstanding leader in our pack who is always willing to give her time and talents. As Webelo Den Leader, she puts together thoughtful and fun meetings for the Scouts. Whether it is visiting the Works museum for the Tech Fest; going to the District Winter Camporee to give the Webelos a taste of what Boy Scout Winter camping is like; making their own musical instruments; or learning about first aid from the first responders at the Fire Station, Jessica plans Den meetings to make sure the Scouts are having fun while learning the skills for their activity pins and preparing them for Boy Scouts. In addition to her role as Webelo den leader, Jessica serves as our Pack Treasurer, helps lead fundraisers and is always willing to help the pack. You only have to ask and Jessica is there.

Jessica also recently completed her Woodbadge and through completing her tickets found she is passionate about being a 'Leave No Trace' trainer. As a 'Leave No Trace' trainer she has helped educate other local packs about those principles.

Jessica lives in Plymouth, MN with her husband and son, Xander. She also volunteers in the PTA at her son's school.
