

Outstanding Assistant District Commissioner Donna Larson

This next Scouter is well-known to many of us in the Lake Minnetonka District. She has been called the best Unit Commissioner any Pack or Troop could ask for, is always willing to help, and is always there to listen. She is very prompt in getting back to you and is always willing to meet and talk to solve any issues, or offer any ideas and input. She attends most of the Committee meetings and even visits Pack and Troop meetings as well as special events Units may have. She is always friendly and so pleasant to talk to and deal with.

In addition to meeting with Unit leaders, this Scouter also carries the responsibilities of an Assistant District Commissioner, serves on a number of District and Council committees, and lends a hand planning many events.

Lake Minnetonka District proudly recognizes Donna Larson, one of our own, as an Outstanding Assistant District Commissioner.
