

Outstanding Chartered Organization Representative -- Lynn Abe

As Chartered Organization Representative, this Scouter makes herself available to the Troop and the Pack. She is always there to answer questions, and regularly attends as many meetings as she can so she is aware of the happenings with each Unit. She has worked especially closely this past year with the Unit Commissioner to help the Pack plan their growth and make it a stronger Unit.

She has done an excellent job at helping to keep the boys engaged and happy, and their families involved in the Scouting program. Above being the Chartered Organization Representative, she also serves as a Merit Badge Counselor and assists with many boards of review.

It's a great day for the Lake Minnetonka District to announce that Lynn Abe is Plymouth Troop 570's Outstanding Chartered Organization Representative.
