

## **Outstanding Chartered Organization Representative Scott Woolery**

Our next Scouter seems to have done just about everything a volunteer can do at the Unit, District and Council levels, including being a Merit Badge Counselor for 11 years, Council Commissioner for 3 years, District Committee Member for 18 years, Council Executive Board Member for 9 years and Council Vice President for 6 years.

On top of all this, he served as Director of Operations for his church, which charts a community of Scouting Units, as well as serving as their Chartered Organization Representative. He was very influential in his position to assist both the Pack, the Troop, and not one, but two Venturing Crews. This past March he retired from the church and from Scouting, and we wish him well!

As the Lake Minnetonka District, along with Wayzata Pack, Troop and Crew 283, and Crew 345 all bid Scott Woolery fair winds and following seas; we are pleased to honor him as an Outstanding Chartered Organization Representative.
