

Outstanding Cubmaster -- Brett Flansburg

This Scouter recently took on the role of Cubmaster in his Pack. Although he has gone through some tough times, he knows what to do to get the answers he needs, and who to approach to get the task completed. He is a great role model for all the boys in the Pack, and has been with the Unit for over four years. He has a knack for getting the parent volunteers he needs to help with activities like the Pinewood Derby and winter camp out.

This is why Brett Flansburg of Orono Pack 206 is an Outstanding Cubmaster in the Lake Minnetonka District.
