

Outstanding Cubmaster Emeritus -- Rob Williams

This Scouter has been with his Pack for over seven years, and has held many different leadership positions from Den Leader to Assistant Cubmaster, to three years as Cubmaster and now as Cubmaster Emeritus. He's a true gentleman in every way, well respected by the Cub Scouts, their families and fellow leaders. He never seems to get overwhelmed with matters -- at least he doesn't show it -- and doesn't jump to conclusions. Instead, he can calmly make decisions and make others around him feel life is so simple.

He's a fantastic leader and a very good support to a wonderful team. His experience makes his advice invaluable. He is Wood Badge trained and always thinks like a real leader. An experienced camper, he has helped organize many fall, spring and summer campouts. A proficient public speaker, he often helps the boys with camping skits and songs, and has demonstrated this at many Pack meetings and outings. He is always ready to do anything that's needed. His fellow Scouters feel very fortunate to have him and greatly appreciate all he has contributed and for continuing to contribute.

For all he has done, the Lake Minnetonka District and Wayzata Pack 283 recognize Rob Williams as Outstanding Cubmaster Emeritus.
