

Outstanding Den Leader Brandon McCartney and Drew Hisey

In this year of the superhero, this dynamic duo of super Den Leaders, who have been with their Pack for almost four years, have done a fantastic job in leading their Den. They seek very little attention for their efforts, but simply strive to be the best Den Leaders and teach their Cub Scouts everything they need or want to know. The boys respect them and look up to them, and their parents are so thrilled to have them as leaders because they provide accurate information at all times.

These two are prime examples of "Do Your Best." They are always there to help with any events the Pack hosts, and quite often bring original, sometimes fabulous, ideas to Committee meetings. Their Pack is very thankful and appreciative of everything they do, and look forward to sending them one day to their Troop.

The Lake Minnetonka District and Wayzata Pack 283 regard the superhero team of Brandon McCartney and Drew Hisey as Outstanding Den Leaders.
