

Outstanding Merit Badge Counselor Kris Solie-Johnson

As the Troop's Committee Chair, this Scouter brought fun and order to meetings, and over four years managed to recruit quality adult leaders to support the Troop. She recently transitioned out of that role to focus more on her passion of being directly involved with the Scouts as a Merit Badge Counselor for all three Eagle-required Citizenship merit badges.

She has also quietly worked behind the scenes as a resource for many of the Troop's Eagle Scouts over the past few years, carving out time every weekend to answer their questions and guide them on their journey on the path to Eagle Scout. The Troop will miss her leadership at committee meetings, but are grateful that she remains a valuable resource for all of the Scouts as they pursue their advancement toward Eagle.

That is why Lake Minnetonka District and Excelsior Troop 409 honor Kris Solie-Johnson as an Outstanding Merit Badge Counselor.
