

Outstanding Pack Committee Chair -- Tom Hayes

This busy Wood Badge-trained Scouter is extremely involved with the success of his Pack, and has served his Unit as a Den Leader, Co-Camping Chair, Advancement Chair and is now the outgoing Committee Chair. He is instrumental in his Pack's continued JTE Platinum Status.

This year marked the fourth that his garage was ground zero for building the Pack's Pinewood Derby cars, averaging over 25 cars each year! He's always willing to help, assist, lead, and listen to make sure things happen for the Scouts. His dedication and professionalism assures things are always accomplished with a fun flair, and in whatever he does, he strives to make sure all Scouts and their families have a good time. He takes great pride in the Cub Scouts and the Pack, and will be a valuable asset for Boy Scouts in the near future.

Lake Minnetonka District and Excelsior Pack 429 have a real gem in Tom Hayes, making him an Outstanding Pack Committee Chair.
