

Outstanding Pack Committee Member Andrew Kremer

This Scouter serves his Pack as its Treasurer, but he does so much more than his position requires, and has helped with so many other tasks. He took over the Wreath Sales fundraising event and did an excellent job from start to finish.

He is always at every Pack event assisting with any activities in need of extra help, and is always willing to help out at camping events, whether it's selling t-shirts or registering families, helping out in the kitchen or just making sure all the forms are filled out and turned in. His hard work is appreciated by his fellow leaders and parents, and they are so very thankful that he is with the Pack. He approaches everything he does with a smile.

Without doubt, Lake Minnetonka District and Wayzata Pack 283 consider Andrew Kremer an Outstanding Pack Committee Member.
