

Outstanding Scoutmaster -- Scott Jesse

Our next Scouter is passionate about Scouting and what the program is capable of doing for the boys in the Troop. He always encourages both the youth and the adults in the Troop to take advantage of and participate in as many activities as possible, and get the most out of the Scouting program. He defines Scout spirit with his actions.

This is why the Lake Minnetonka District recognizes Scott Jesse of Chanhassen Troop 330 as an Outstanding Scoutmaster.
