

Outstanding Troop Committee Member Karen Johnsen

This multi-talented Scouter seems to be everywhere in her Troop. She serves as both Treasurer and Fundraising Chair, supervises their annual wreath sales, and when their "pizza baron" chose to retire, she put her foot forward to take over pizza sales as well. She was at the forefront when the Troop decided to transition to Scoutbook, and even came up with a system to include adult accounts. She is indispensable to the committee and a second mom to many of the Scouts.

With many thanks for her many hours of service, Lake Minnetonka District and Minnetonka Troop 426 honor Karen Johnsen as an Outstanding Troop Committee Member.
