

## **Outstanding Webelos Leader -- Anna Holmes**

During her time in her Pack, this Scouter has held many positions, some officially, many sometimes unofficially, because the tasks just needed to get done. She has been the behind-the-scenes organizer for many events and has submitted reams of paperwork to make things happen for the youth.

During this past year, beginning with taking her Webelos Den to Arrow of Light Camp, she prepared her Scouts well for the move into Boy Scouting. Eight young men started in her Den last fall; each earned their Arrow of Light, and all moved on to the Troop earlier this year. Along the way, she worked with her Den Chief to help develop his leadership skills, too.

One might think she would want to take a break, but instead, she volunteered to be the New Scout Patrol liaison working with the other new parents, and is also the Troop liaison to the Pack. The Pack hopes to work with her once again when her younger son enters Cub Scouts.

This is why the Lake Minnetonka District and Orono Pack 206, and the families of Webelos Den 1, regard Anna Holmes as an Outstanding Webelos Den Leader.
