## UPON COMPLETION

To inspire the younger youth in the pack, it is recommended this award be presented at the Scout's former pack.

## Northern Star Scouting, BSA TRAILHEAD AWARD

The Trailhead Award recognizes those Webelos Scouts who have gone above and beyond their Arrow of Light requirements and have a strong start on their Scouts BSA adventure. The pack and troop must work together to ensure that all Webelos transitioning into a troop have the opportunity to enjoy the complete Scouting adventure and earn this award.

This progress card should be presented to the Webelos Scout when he or she earns the Webelos badge.

The den leader verifies the completion of the first 3 requirements and the troop leadership signs and dates the completion of the last requirement.

The Trailhead Award acknowledges a Scout's outstanding accomplishments and completion of Cub Scouts and commends a youth as he or she stands at the Trailhead path of Scouts BSA—the next great adventure in Scouting.
