

Dear John Smith,

Scouting provides experiences that help prepare youth for their future - and ours.

Helping youth is key to building a more conscientious, responsible, and productive society. Thank you for choosing Scouting for your family!

At the most recent Pack meeting on Monday, February 4th, families were asked to financially support Scouting through a monthly sustaining gift. These gifts make it possible to fund camperships, facilities, leadership training, and much more for our local Scouting community.

We have not recorded a charitable gift from you. May we count on your support this year?

Our family strongly supports youth leadership development and we make Scouting one of our top charitable donations. Please join us in making your gift today. For your convenience, you may make your gift online by following the link below.

[Click Here to DONATE!](#)

Because of your donation, your youth and their friends will:

- Gain self-confidence and perseverance.
- Be involved in a group and work with many personalities.
- Learn good values, how to make good life choices.
- Set and reach goals and Be Prepared. For Life.
- Have FUN and make friends for life!

Thank you for being a Friend of Scouting!

If you have already made a contribution, please disregard this email and thank YOU for your generosity!

Yours in Scouting,
Rika Young
Northwest District
2018 Family Friends of Scouting Chair
Email: email@example.com, Phone: 501-867-5309

P.S. Your gift last year was \$252.00, which is equal to \$21.00 per month.
