

NORTHERN STAR SCOUTING

BASE CAMP

INSPIRING ACTIVE LEARNING

BRING-A-FRIEND – TO BASE CAMP!!

Explore Scouting with your friends in a fun activity! What better way to spend a cold weekend than rock climbing or archery at Northern Star Scouting's Team Building Center?

Have a friend who might be interested in Scouting? Do they want to experience all of the fun that Scouting has to offer? Then join us on **Sunday, March 10, 2019 from 2pm to 4:30pm at the Team Building Center at Base Camp** for a great afternoon of fun and activities. For just \$15 / person, you can spend 2 ½ hours climbing, shooting archery, or both! Ages: Ideal for the 4th – 8th Grader looking to experience Scouting; Kindergarten and up are welcome

Base Camp staff provides the safety and instruction – you provide the fun and the friends! Come enjoy the great Base Camp program in the indoors.

Rock Climbing – A signature experience at Base Camp is climbing our 30-foot, indoor rock wall. The 16 belayed routes accurately replicate the natural features found in the St. Croix River bluffs near Taylors Falls. All safety equipment and facilitation is provided by our trained staff.

Archery – In any weather, Base Camp's 15-yard, indoor archery range is ready to help first timers or seasoned veterans hone their skills in this activity of physical control and mental concentration. Our staff provide all of the equipment, instruction, and coaching to safely enjoy this unique and challenging program. If you prefer to bring your own bow, our staff will be happy to inspect and approve it for use on our range.

Lake Minnetonka District Scouts - if you bring a non-Scout friend to this event and he joins Scouting, you receive a FREE Recruited-Recruiter patch AND your friend also receives a FREE Recruited-Recruiter patch. Additional information www.lmdbsa.org/basecampclimb .

Please preregister online for this event. If you have questions, please contact Vicki Jurek, Membership Chairman at Vicki.Jurek@lmdbsa.org
