

2019 Lake Minnetonka Volunteer Recognition

Outstanding District Committee Member -- Andrew Soubash

Our next Scouter has been part of the District Camporee Planning Committee for several events, and is responsible for bringing the Order of the Arrow into the camporee and taking an active role. Whenever a call for assistance goes out, he is always one who steps forward and is there to help the District, usually with at least a few Arrowmen at his side to meet whatever the challenge may be. This year, he is serving as the current Co-Chief for the Lake Minnetonka Chapter of the Order of the Arrow.

The Lake Minnetonka District recognizes his seemingly unbridled energy and selfless contributions, and is honored to salute the Order of the Arrow's Andrew Soubash as an Outstanding District Committee Member.
