

2019 Lake Minnetonka Volunteer Recognition

Outstanding Troop Committee Member -- Karen Johnsen

Those who know this fearless Scouter see her as very organized, accurate and quite dedicated in her position as the Treasurer of her Troop. For the last four years, she has maintained the Troop's financial records with a steel will and a high degree of accuracy, handled the Troop bank account with finesse, efficiently maintained the annual budget, and kept the Troop running smoothly on calm, clear waters.

She also serves the Troop as its Wreath Sales Chair, where she keeps track of the Scouts' accounts, sales records and inventory counts without fault. After all this time, and all her hard work, this superheroine with a pen will be departing her Troop early next year.

The Lake Minnetonka District and Minnetonka Pack 426 wish to thank Karen Johnsen for her many contributions and her service, and recognize her as an Outstanding Troop Committee Member.
