Glowing Ember Award Lisa and Ryan Eidenschink Troop 3283 – Wayzata

Lisa was the chair for wreaths sales with Pack 283, and when her son John crossed over to Troop 283, Lisa brought her skills and experience to the troop and volunteered to be the Troop Wreath Chair this past fall. Not only did the troop benefit from her experience, she recruited her husband, Ryan, to be the behind the scenes organizer of all things spreadsheet related. Their commitment to improving the existing wreath chair process was a great benefit to the scouts and troop and for this, Troop 283 recognizes Lisa and Ryan Eidenschink as our Glowing Ember Award Winners.
