

2019 Lake Minnetonka Volunteer Recognition

Mike Norrbom **Glowing Ember Award**
Pack 3372 -Waconia/St. Bonifacius

Mike has provided music and video at every Pack meeting and Pack event for many years. He is the first one there to setup and the last one to leave. He loads up his van with tons of sound equipment, speakers, lights, and a projector. Our Pinewood Derby day is shared with the other Pack in town. He stays for the entire day providing music for both Packs. His service to our Pack is definitely a unique role most units do not have.

His dedication to the scouts and their families is amazing as he will never miss a meeting. Only once he was not able to make so he pulled a favor to ensure we had our music. It is his love of music and entertaining that makes him stand out in our unit."
