

## 2019 Lake Minnetonka Volunteer Recognition

### Outstanding Cubmaster -- Steve Olson

This Cub Scout champion makes every Pack meeting come alive with excitement! As the Cubmaster and lead planner for his Unit, this individual has the super ability to bring people and ideas together resulting in memorable meetings the Cub Scouts enjoy, like awesome jokes, creative skits, realistic indoor campfires, a visit from a real eagle, to his own personal light and sound DJ system, all just a few of the memories he's created for the Scouts and their families!

His powerful voice can carry over even the loud chatter of young ones, while his energetic personality and charm grabs and holds their attention, and keeps them coming back for more.

Plymouth Pack 577 is very lucky to have a Scouting superhero like Steve Olson, and we're indeed proud to call him a Lake Minnetonka District Outstanding Cubmaster!
