

# 2019 Lake Minnetonka Volunteer Recognition

## Outstanding Scout Family -- The Lansing Family

This fantastic family has been an active part of their Cub Scout Pack and Scout Troop for well over ten years.

Dad quietly served as a Den leader for the Pack, and now serves the Troop as an Assistant Scoutmaster. He demonstrates the Scout Oath and Law in his behavior, never seems to sit down, and can always be counted on to support or assist any effort the Troop takes on.

A few years, back, mom stepped up to be the Many Point summer camp coordinator -- no easy feat when the Troop sends 40-50 youth up north each year! You'll usually find her hounding families and leaders to submit their paperwork, then tackle the amazing job of organizing the documentation, which makes the Troop look really good at camp check-in.

One son was one of eight in the same Patrol who all achieved Eagle Scout rank a couple years ago and is now attending college. While in the Troop he served as Senior Patrol Leader and attended the 2013 National Jamboree.

Their other son currently serves as Senior Patrol Leader, has attended Grey Wolf, and was at the National Jamboree in 2017. He's now well on his way to earning Eagle Scout within the next year.

The Lake Minnetonka District is pleased to salute Brian, Kolleen, Gregory and Grant Lansing of Medina Troop 537 as an Outstanding Scout Family.
