

2019 Lake Minnetonka Volunteer Recognition

Outstanding Scout Family -- The Lawrance Family

This heroic family has been involved in Scouting in our area for several years now, and every member is involved in some way with their Troops.

Dad has been a key leader for the Lake Minnetonka District, was recently instrumental in organizing the Pinewood Derby Fest at Ridgedale, and is also a key leader in the boys' Troop ensuring their youth-led initiative. He also started the linked girls' Troop, which has already launched and is now providing a very positive experience for at least twenty registered young women. Mom serves as an Assistant Scoutmaster for the new girls' Troop. His son just completed his position as Senior Patrol Leader in the boys' Troop, and both of his own daughters are now registered charter members of the girls' Troop.

Their selfless service, involvement and dedication to Scouting make us pleased to recognize Mike and Carol Lawrance and their children as an Outstanding Scout Family in the Lake Minnetonka District.
