

## 2019 Lake Minnetonka Volunteer Recognition

### Outstanding Commissioner -- Tina Ramacier

After serving in many roles at the Pack and Troop levels, from Cub Scout Den Leader, and Boy Scout Advancement Chair to Webelos Transition Chair, this super Scouter took over as Cub Scout Roundtable Commissioner last year, and this past December she took a giant leap to take responsibility for all of District Roundtable.

In her role, she has brought several years of valuable experience, a fertile imagination and new powerful energy and excitement to Roundtable. This is evident when you see everyone -- youth and adults -- playing games, getting up and moving, and enthusiastically sharing information with one another. Her upbeat attitude and cheerful demeanor make her a positive influence on anyone she encounters. Our heroine isn't afraid of change, and is always willing to try innovative new ideas, such as streaming Roundtable on Facebook Live, to see what works or doesn't work for our Units and leaders.

We are pleased to recognize what a wonderful asset we have in Tina Ramacier, a truly Outstanding Commissioner in the Lake Minnetonka District.
