LEADER
OUTDOOR
ORIENTATION**

Saturday, October 19,
2019 9 AM through
Sunday, October 20, 2019
11 AM

Cost: \$30 per person (includes
meals)

Phillippo Scout Reservation
Cannon Falls, MN

Northern Star Scouting is offering BALOO training for Cub Scout leaders from all districts this fall! NOTE: Training will no longer be offered at University of Scouting, because the new BALOO program requires an overnight camping trip.

BALOO training covers topics from health and safety to the logistics of planning and running a successful camping trip for your unit. Along the way, you'll learn about meal preparation and camp cooking (including hands-on Dutch oven cooking), camping gear selection, water safety, and campfire program planning. You'll also get to learn group games, skits, and songs, and practice traditional scouting skills like pocketknife use and safety, map and compass, knot tying, hiking, outdoor ethics, and first aid. You get a BALOO patch too!

The 24 hour course includes an overnight camping trip with participants sleeping in tents (BYOT- bring your own tent!) 3 meals are provided as part of the course. There is also an online prerequisite component to this course. Detailed info will be emailed to enrollees after registration.

Questions? Email Rick Mitchell at mitchrfmd@gmail.com or text Michele Rutledge at (952) 212-0509.

Why is BALOO training a good idea?

- One BALOO trained leader is required on all Cub Scout camping trips.
- BALOO training allows Webelos den leaders to take their den camping on its own.
- BALOO training ensures your camping outings are covered under BSA insurance.
- Training gives you resources for creating a fun camping program and saving money!
