

## **Lake Minnetonka District Camporee Host Unit Schedule (2016 – 2021)**

Lake Minnetonka District Units:

Thank you for your past support in providing great events for our Lake Minnetonka District Scouts.

Please find below the list of when your Troop is scheduled to help plan and staff an upcoming District Camporee. This list was created to allow for the sharing of ideas and the work associated producing a great Camporee.

We rely on your unit leaders to share their talents and help create a fun and exciting Camporee. Without your unit's help, we cannot deliver great programs for our youth.

Please mark your Troop calendars well ahead of time to participate in our camporees.

Contact the Lake Minnetonka District Activity Chairman with any questions or concerns.
