

Don Mack

Outstanding Unit Commissioner

This next recipient is a very dedicated volunteer and Unit Commissioner. He attends all District Commissioner training sessions, attended the College of Commissioner Service training last year, and is Wood Badge trained. He makes sure his unit gets communication of any upcoming activities and district events, and is also involved in Webelos training events. He is very committed to Scouting, an active Lake Minnetonka District volunteer who does a great job in this role. He was formerly quite active as a Pack leader, and now is very involved in a Boy Scout Troop.

Lake Minnetonka District is pleased to name Don Mack as an Outstanding Unit Commissioner.
