

## **K. D. Bohara – Pack 174**

### **Outstanding Boy Scout Committee Chair**

From the time this Scouter and her son transferred to the Troop a few years ago, she has been an important contributor. Within just a few months of joining, she agreed to be Troop Committee Chair and has successfully managed the myriad responsibilities associated with that position. In addition, she has led many initiatives such as expanding the Scouts' knowledge of Scouting opportunities beyond the Troop, creating a Troop budget, leading the Troop in the sometimes seemingly complex JTE process, and faithfully attending Roundtable. She also dedicates many hours to helping individual Scouts, serving as a counselor for several merit badges and assisting in Eagle Scout projects.

**Her boundless and contagious enthusiasm for Scouting make K. D. Bohara of Troop 174 our District's Outstanding Boy Scout Committee Chair.**
