

Moose Stolarzyk – Pack 429

Outstanding Cubmaster

As a youth, this Scout Leader was a Cub Scout, Webelos and a Boy Scout. He joined his current Pack as a Lion Den Leader in 2014. Halfway through his first year, he found himself wearing the Cubmaster's shoes! Always very engaging with the boys and parents, he looks for ways to involve the Pack within the community. He coordinated Scout Sunday, Pack-A-Thon and led the Pack's contingent in the local Memorial Day parade, and is leading an annual joint Base Camp lock-in with Pack 409. He is a natural at making Pack Meetings fun and exciting for the Cub Scouts and their families. He can be counted on to participate and encourage other adult leaders to take all District and Council training opportunities. During one such opportunity, he became an Owl and earned his Wood Badge beads.

This is why Moose Stolarzyk of Pack 429 is an Outstanding Cubmaster.
