

## Melissa Stanfa-Brew – Pack 206

### Spark Plug Award

Our next Spark Plug recognition goes to a Scouter who always brings enthusiasm to the Pack, and uses her energy and charm to get Cub Scouts of all ages singing, dancing, and just plain having fun in all sorts of productive ways. She is extremely good at this with the boys. That is why Melissa Stanfa-Brew of Pack 206 in Long Lake is truly one of Lake Minnetonka District's vibrant Spark Plugs.
