

Cub Scouting Recruiting – Watch A Movie On Us!

It's Fun to Be a Cub Scout!

We know that one of the best ways to recruit new Cub Scouts is peer-to-peer. When a Scout brings a friend to an event, they both have fun! It's a fantastic introduction to Cub Scouts for the boys and their parents.

Listening to your feedback, Lake Minnetonka is creating a great opportunity for recruiting this December. We're showing "Ferdinand" on Saturday, December 16th for FREE when a Cub Scout brings a non-Scout friend to the movie. Not only that, but if their friend signs-up for Cub Scouts, they both receive the Lake Minnetonka Recruiter/ Recruited patch to wear. The movies will be shown at 9:20AM at the Mann Theater in Plymouth. Please download the flyers for details.

Tickets are meant for a parent and a Scout who brings a boy and his parent to this event who are interested in becoming a Cub Scout, or for a parent and son who are interested in becoming a Cub Scout.

Any potential Cub Scout can sign-up to attend this free showing of "Ferdinand" with their parent and learn more about Cub Scouts and how to sign-up for their local Pack.

We want to fill-up the theater, so sign-up today!!

Everyone interested in attending must register online using the link on the flyer to receive their e-ticket. Youth must be accompanied by an adult for proper supervision. No walk-ins are allowed.

We're excited about this fun event. If you're interested in helping out or would like to bring your pack display or information, please contact me.
