

Fall Camporee 2018 Update (091318)

Horsemanship Merit Badge

The merit badge counselor will be covering the following items found in the Horsemanship Merit Badge Workbook <http://www.lmdbsa.org/wp-content/uploads/2018/04/Horsemanship.pdf> (the link is also found in the Camporee Information Packet). Please print the booklet and bring it with you to camporee, in addition to a filled out blue card.

- Items 1, 2, 7, 9, and 9
- If there is time, items 3, 4, 5, and 6 will be covered.

If items in the workbook are completed before camporee, the merit badge counselor will sign off on those items if he does not cover them at camporee.

The merit badge counselor will be covering safety matters while handling a horse more than health concerns.

Maps of Camp

The maps of the camp have been added to the camporee resource page of the website <http://www.lmdbsa.org/2018FallCamporee>.

Water

Water is available but at considerable distance from camp. To carry water from that distance would be difficult and the use of a car would be preferred. Please see the camp maps on the camporee resource page <http://www.lmdbsa.org/2018FallCamporee>. An alternative would be to bring water with you to camporee.
