

2019 Lake Minnetonka Volunteer Recognition

Outstanding Pack Committee Member -- Chris Tomczik

In 2014, this Scouter was tapped to succeed as the Committee Chair for his Pack. An Eagle Scout and former Den Leader, the Committee considered him the right man for the job. During the five years he was in charge of the Pack, this champion helped their associated Troop have a constant pipeline of Scouts crossing over.

His superpower is his ability to take on more than a Committee Chair is expected, from epic recruiting efforts to serving as Advancement Chair, and even handling this year's popcorn fundraiser when no one else would step up to the challenge. Through all this, he remained a calm leader, never showing the stress he was under at times. Even when his youngest son crossed over to Scouts BSA, he still worked to recruit his replacement Committee Chair before turning his focus to the Scout Troop and both his sons.

His commitment to Scouting is unparalleled, and his fellow leaders look forward to his involvement in the Troop following a well-deserved break.

Thank you, Chris Tomczik, for all you have done for Medina Pack 537, and all we hope you'll do for the future of Scouting. You are indeed an Outstanding Pack Committee Member!
